PRESS RELEASE

Hanover Master Plan Public Meetings & Online Survey

The **Hanover Planning Board** is pleased to announce the initiation of Public Participation in our development of the Town's new **Master Plan**. Hanover joins other communities across the world in celebrating World Town Planning Day (WTPD) on November 8th, 2006. We invite all residents, business owners, town boards and departments to attend one of two **Public Meetings** and "Charrettes" on the Master Plan update:

- **7:00 PM - Wednesday, November 8th, 2006** (*Town Hall / Lower Level Hearing Room*)
- **7:00 PM - Thursday, November 16th, 2006** (*Town Hall / Lower Level Hearing Room*)

As part of the Public Meetings we will be asking for your thoughts and feedback on the following questions:

1. What do you believe are the most important issues Hanover is currently facing?
2. What do you believe are the most important actions the Town should take to address these issues?

In addition, we invite the general public to fill out our **online Master Plan Survey** and read more about the plan and process on the Town Website: www.hanover-ma.gov We hope that you will encourage others to complete the survey. For those of you who prefer a printed copy of the survey, they can now be printed from the website or picked up at Town Hall, the Public Library, Council on Aging, and DPW. We are happy to provide printed copies upon request. Simply call 781-826-7641.

The Master Plan is a 10-year guidance document prepared by the Hanover Planning Board and staff for use by all Town Boards and Departments. The Master Plan addresses seven (7) major elements in order to coordinate planning for changes and growth over the next ten years:
